Home Fire and Life Safety Presentations

Do you want to prevent fires in your home?

Learn how to stay safe within your home by booking a free Home Fire and Life Safety presentation from one of our specially trained MFS firefighters.

Presentations will include demonstrations and all participants will receive take-home materials.

Why is it an important topic?

House fires are life threatening to your family and can cause significant financial loss.

Information in the presentation will help you reduce the risk of a fire in your home.
