Dear [REDACTED]

I refer to your application made to the South Australian Metropolitan Fire Service (MFS) on 1 April 2022 under the Freedom of Information Act 1991 (FOI Act).

*"I'm investigating a fire that allegedly started on an electric cooktop. The tenant had departed the house in the morning and left a cat inside. The tenant also left a cardboard box sitting on the electric cooktop. Whilst she was away from the property, a fire occurred which (according to the SAMFS Report), started on the cooktop with the cardboard box. The tenant claims she had not used the cooktop that morning. The information I seek is as follows. 1. The number of electric cooktop fires in SA for say 10 years. 2. The cause of those electric cooktop fires. From 1/01/2010 to 1/04/2022."*

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, may be published in the agency's disclosure log. A copy of PC045 can be found at: <https://www.dpc.sa.gov.au/resources-and-publications/premier-and-cabinet-circulars>

A search of files has been conducted and two (2) documents generated from stored data that fall within the scope of your application. The documents are identified in the attached schedule. In respect of the two documents, I have determined to release them in full.

**Document 1**

Indicates for the time-period stipulated in your application a summary of fires caused by cooking internally. This does not mean these fires were a result of cooktop fires.

These fires are only those investigated by a Fire Cause Investigator because the damage was more than \$ 40,000.

**Document 2**

Indicates for the time-period stipulated in your application cooking/kitchen fires as a whole. We are unable to differentiate between cooking appliances (cooktop, oven etc), or whether they are gas or electric.

The cause is relatively generic i.e. whether it was operational deficiency or equipment fault. If any of the fields are blank it means it was unknown or not reported.

I have also provided a soft copy of this document attached to the email if you would like to undertake any further analysis.

**Appeal Rights**

If you are dissatisfied with this determination you are entitled to apply for an internal review, in accordance with section 29 of the FOI Act. To make an internal review application, please either write a letter or send an [Application for Review of Determination](#) to the Principal Officer of this agency, Chief Officer Michael Morgan, within 30 (calendar) days after you receive this letter. Should you submit an application for an Internal Review, please include an application fee of \$36.75.

Should you have any enquiries in relation to this matter, please do not hesitate to contact me on 0429 094 736.

Yours sincerely

Kim Arnott
